ORGANISATION/OTHER INFORMATION

- On arrival to the carnival, please see your child's classroom teacher to mark the roll
- Parents, please stay behind the safety markers in the senior field events and walk around the finish line at the end of the running track.
- Parent help is required at field events and race line judging. You are not required to be in that role all day, every little bit helps 😊
- Throughout the day, all students must sit in their house tents with their Age Group Teacher. Students are not allowed to leave the tents to sit with families under the trees. Families are welcome to come to the house tents to see their children and celebrate their success.
- **Prep- Year 2 Students** - If your child has finished their events, for example Prep - Year 2, you are welcome to take your child home early. You must sign your child out at the recording tent and see the class teacher before leaving. Prep, Year 1 and the younger Year 2's will walk back to school upon completion of their races and after their lunch break.
